Dedication

We are continually told to look beyond our community, our province, and our country, Canada. Within this shrinking world, the citizens are encouraged to think on an international level.

British Columbians, however, have set aside this, our Centennial Year, to examine the progress, past and present, of our own Province, and to ponder the future.

Following this example, the Editors of this Centennial Year Camosun dedicate this annual to the pioneers of British Columbia's . . .

WORKING WITH CANADIANS IN EVERY WALK OF LIFE SINCE 1817

Foreword . . .

IN this year, British Columbia is celebrating its 100th anniversary. In the story of this development, our own Victoria High School has played its own small but vital part. We had our log-cabin days. Then we moved to a "handsome brick building" now no longer in existence, but there, with three teachers the building became too small. In 1902 a move was made to a larger building which rose where the concrete, glass, and steel of the Central Junior High School now stands. On May 1, 1914, our present building was opened, and was expanded later by the Fairey Technical Unit and by a substantial addition to the main building. To-day we have a staff of sixty teachers.

The old log-cabin school house has long since disappeared, but it inaugurated a tradition of educational effort which is a continuing factor in the life of a province celebrating its centennial year.

Valedictory . . .

THOSE of us graduating are soon to encounter the first great fork in the road of life and as we gaze back on our past school life we see many things. We can envisage the schools we have attended, especially Victoria High for here we have spent our most happy and formative years. The long, storied history of Victoria High makes us proud to be graduating from this institution. Our teachers come to mind and in this moment of deep thought, we finally realize that all their actions were governed by one factor — the betterment of us, their students. We think of our friends and realize that friendship is truly one of the precious things in life, for their presence augments our happiness and eases our hardships. The happy moments of our school life we cherish forever and the sad ones we forget immediately.

In closing we offer thanks to all those who have assisted us this far — our parents, teachers and friends. To Canada we say this: "Our minds and bodies are yours."

The Law of Vic High

The teacher's the law of Vic High, and ever he lets it be known,
When a headstrong student of History tries to go it alone:
Back after school the poor lad troops, and he studies hard for an hour,
Till firm in the grasp of the teacher he is, back in his grasp and power.
Far and wide goes their influence, their looks are stern and cold,
But the grip they have on the students, is a grip which is fearless and bold;
Praising the intellectuals, hoping for more to come,
As they valiantly teach the rabble and push along the scum.
They push the flotsam on bottom, and encourage the cream of the crop,
In the hope that even the lagging might join the icing on top;
Discarding the black crust of failure, holding the wits who despair,
And soothing the cries of the fallen, trying to patter a prayer.
Oh, the teacher is the law of Vic High, and he shall continue to thrive,
While the poor little student of History struggles his best to survive
And the only time the student has freedom of the deck,
Is when a radiant happy teacher has picked up his new pay check.

Conducting Div. 11's rocking jam session are Pres. Randall Smith on the clarinet and Vice-Pres. Bryan Ralph on the Euphonium. Wailing on their saxes are Roy Foord and Gordon Spriggs; "gone notes" on the trumpet are issued by Chas. Brown, Doug Nicol, and John Ward, while soothing tones of the clarinet are interjected by Dianne Trumble and Linda Marrion; adding the vocal interest to these music makers are Jean Akins and Allan Brash. Jiving to this hot music are majorette and class secretary Lynne Speller; Calamity Player Leslie Millin; Patty Sunderland, still in Smoke Dreams; Charles Lorenzen, and Ann Scowen singing parodies; Doug Dickie treading to a water ballet; and Barbara Hodgson crooning to Pat Hilliard all about them "Dry Bones". Keeping the beat of this "real gone" class is Maestro Mr. Kay.

Piloted by Wing Commander Bruce Warburton, ably assisted by Squadron Leader Terry Marlow, Division 12 hopes it has fulfilled its obligations in Operation Vic. High this year. Their greatest monetary contribution was raising $102 for the circus by raffling a record player. In regular activities this squadron contributed four honour students; two band members, Len Dmytryk and Fred Palidwor; and three singers, Anne Ferreira, Malcolm Shanks, and Vanessa Wright. Leading athletes are Tom Wyatt, captain of the Totems; Bud Taylor, who skips a curling rink; and Mervyn Goodey, captain of the Jr. Soccer Squad. Finally Squadron 12 nominates long-suffering Group Captain Goulson for the Distinguished Service Medal.

Under the excellent leadership of Miss Macqueen and class president Florence Chan, Division 13 staged a mock trial with entire class participation. Sitting in the judge's seat was dramatist Penny Tisdall, while our poor victims were majorettes Anne Sulsbury and Judie Veitch. Acting in the capacity of prosecuting attorney and defense attorney were Barbara Johnstone and Doreene Rogers, respectively. The witnesses, Gloria, Sandy, Val, Margaret, Pauline, Carol, and Gwen were sworn in by Fran Derbyshire. Under Margaret Lendrum the jury found Judie guilty.

Division 14's noisy chatter in 212 can be heard from 210 to 215! Sandra Bishop's corny jokes bring a weak laugh from Lorraine Bell, who passes them on to Donna Smith, Jessie Sokalski, and Bonnie Bain. Bob Anderson, Pete Brice, and Dave Carl can be heard trying to think up a better one, while our Totems, Frank Chambers and Robin Barnes, offer advice. Barbara Swannell explains them to Calvin Bakeman, while Joyce Taylor and our un-identical twins, Joanne and Dianne Milton, sit quietly absorbing this insanity. Audrey Turner, memorizing her lines for drama, remains apart from the proceedings as much as Barbara Haslam, our girl from England, and another choir girl, Joy McCartney. Sharon Bell, Dave Sheldrick, and Horace Mayea attentively listen to Renee Clark's experiences with her new piccolo. Head of all this confusion, Mr. Clark manages to get silence only for the notices.

This battleship on the stormy seas of higher education is captained by able, ever-quipping Mr. Mayne, and manned by a crew of electricians, machinists, automotive mechanics, and sheet metal workers.

Senior tumbler Wayne Begg and his sheet metal expert Phillip Hill, keep the iron plate in good repair. Maintaining the Diesel engines and installing new parts made by our machinists are pint-sized Ian Ford, Danny Williams and sharp-eyed John Dobrocky. We have hot rod enthusiasts Ted Rowbotham, "Romeo Joe" Gillings, and Ron Sims. Keeping the electrical maintenance are honor students Gary Yee, vice-president; Norman Lee; Ernie Quan, class secretary; class president Gordon Rosseau; tall totem Barry Saddler; and last but definitely not least, muscleman Ed. Adding further music are Ken Beswick and John Knapp. High-scoring Darrell Lorimer is vice-president of Division 16. Dull moments are practically extinct when Division 19 gets up. In the bleachers rooting for the team is the sole feminine populace—Janice, Lorraine, Sandra, Myrna, Ellen, and Pat. Our blushing class president, Pat, has the honor of pitching the first ball, while secretary Bob guards first base. Bruce, the tardy one, is always being caught slipping into home base by Mr. Trotter, wearing a catcher's mask. Our capable team-mates are Gary, Duane, Bob, John, Bill, and Ted. Giving out with the jazz, Ernie and Dave watch hero Ted circle the bases on his motorcycle. (This is legal?!) Of course, Monty, our cross-country runner, saves the day for our team and we gaily hold our banner aloft.

Under the capable hand of Miss Crowe, Cell 24 is loaded with all varieties of inmates. Chief of the Parole Board and always "on guard", Alan Oliphant led the class through a very successful year. Dave Haegert, Ted Espley, and Jack Firkins constituted the athletically minded, while Lois and Renee ran a close second in swinging a "mean" badminton racquet. In case of injuries during a "get away" Anne Kemp was ever present with her Red Cross know-how, and John Sargent was ready to "talk" his way out of it, as seen in the U.N. model assembly. Cell mates Barbara Chessman and Norma Redfern led the pace fashion wise, while Marg. Robertson jived up a riot in Cell Block 24.

One of Vic. Getting extra duty for his humour during the year Randy Bouchard, while Wallace McGill did most of the K.P. High Ranking Officers in the Intelligence Department were Charlene Love and Albert Mar. Mickey Whitaker would probably hold out longer on the famous ten-mile Army hike. On trial by court-martial is Carol Turner for causing too many desertions among the men. Dodging dentist checkups and seasonal exams, Div. 25 forged ahead to win the war against homework.

In one of the darkest corners of Victoria, we find a group of foggy brained savages known as Div. 29. Our hardy braves are led by Bruce Hardy and Alf Lincoln, with Fred Knape as our medicine man.

Our sports-minded tribe has such noted athletes as Dave Reed, Doug Houghland, Alan Foster, Peter Koch, Glen Crawford, Art Price, Don MacKinnon, Jim McCague, Terry Nevenfeldt and Dave Rees, who lend their support to all house sports.

Our band of braves are well supplied with food through the efforts of Ken Yardley and Glen Crawford, members of the Rod and Gun Club. Leading our ritual, the firedancers are Doug Houghland and Bruce Hardy.

Finally, we have our great white missionary, Mr. Reed, who has tried so hard to fan the torch of learning in our tribe.

Head boss of these purely masculine mechanical fiends is President Jerry Jackson, who sidelines in hunting and truck driving. He is assisted by Vice-President Dale Hayton, who serves as grease monkey, and Secretary-Treasurer Ken Lockley, who is watchdog over the office. Taking time off to watch their favorite sports are Mike Kitson, Larry King and Dennis Hail, leaving Norman Hinds, John Jacobson and Ralph Jay "holding the wrench". Keeping everyone on the ball is the sole shareholder of this busy garage, Mr. Hill.

Greetings to all ye lowly mortals from the mighty Greek Gods, who dwell on Peak 36 upon Mt. Olympus. Queen Hera (Mrs. Hobbs) rules with a mighty hand ably assisted by her daughter, class president Bev. Hill. Minerva and daughter (Julie Eriksen and Shelia Haire), are able goddesses of music, while Venus (Shirley Forsen) can be found creating artistic masterpieces. Crowned with laurel wreaths our scholastic minded daughters of Mercury (Sharon Clifford, Glenis Dawe and Bev. Horne) follow the exploits of our female Atlas' (Kathleen Crowe and Dolly Burton). We have all enjoyed our first year on Mt. Olympus.

Mrs. Whitly is the one
Who sees that no wrong is done.
Bonnie represents our class
All in all she is quite a lass.
"Tres chic" are two words that describe
Our secretary Glenna Reside.
Within our midst dwelt Gloria and Emma
The quiet ones in the dilemma.
When it comes to sports they can play
The winners are always Leona and Rae.
Every room has little black sheep,
And ours is Judy, Carole, and Koljeet.
When it comes to work they go astray
And don't come back until next day.
Sharon and Jean type only A
Their fingers fly from day to day.
When it comes to brains this class has none
Except for Marie and Marilyn.

There once was a young lad named Mike
Who it seemed everybody did like
He was tall, he was fair
But when he shaved that long hair
The kids all did shriek, "he's a psych!"

There was a young lassie named Brenda,
Who one night went out on a benda,
Halfway through the night,
She was nowhere in sight,
Ah, sick over Frankie's front fenda.

Alpha Hi-Y

"Create, maintain and extend, in the home, school and throughout the community, high standards of Christian character."

"This, the creed of Alpha Hi-Y and the Hi-Y's of Canada, is the standard by which we work, satisfying small needs around us, thereby satisfying ourselves."

Alpha, this year, has operated a coat check netting $15 for the Christmas 500 Fund, given $20 to World Service, operated three circus stalls, donated four pairs of boots to the senior rugby team and a clock to the Band Room.

President, Don Kirkby; secretary, Willie Wong; vice-president, Bruce Atkinson; treasurer, Daryl Lorimer, and sponsor, Mr. Reid, led the club in a rewarding year.

Y-Teens

Famous for their blue and white uniforms, the Y-Teens' this year introduced many new projects, and carried over some from last year.

Part of the regular services maintained were ushering at school functions, holding candy and ice cream sales at the basketball games, and supervising the Lost and Found. Also under Y-Teen auspices was the Co-Ed Dance.

Paying visits to the local churches every other Sunday night was part of our year's programme, as well as the panels and skits included in the regular Friday noon meeting. In February, seven elected girls were part of Victoria's delegation to the provincial Y-Teen Conference held in New Westminster. Other Inter-City "get togethers" included the recognition service and our highly successful April Prom.

As a highlight to the year's work were the money raising schemes in support of our adopted orphan in Malta. Mrs. Smith, a newcomer to the school, was our able sponsor.

When asked what was discussed at the business meetings, President Gudy Marquardt replied "Everything from the business on hand to the latest gossip."

Beta Hi-Y

Led by the President, Harold Ridgway, and Vice-President, Dave Skillings, Beta has had a very successful year, financially and otherwise.

We distributed free programs at the basketball games, sold pop, potato chips, and "Totem Boosters", undertook a bottle drive, and had a penny drive for the World Service Fund. Beta also was co-sponsor of one of the school dances, was sponsor of the B.C. Cross Country championships and sold Bonds for the Older Boys Parliament.

Secretary Jim Galbraith, Treasurer Bob Jones, and Padre Ed Pomeroy completed the exec. Many thanks are expressed to Mr. J. Andrews, who sponsored the club this year.

Concert Troupe

This year the Concert Troupe, as well as forming the background for the Grad choir, has staged many colourful productions throughout the year. They made a trip to the Empress hotel to sing at the Teacher's Convention; then staged the very popular "Twelve Days of Christmas" at the Winter Fantasy, and finally produced "Come to the Fair" as advanced publicity for the Circus. Much of their success is due to their director, Miss Norma Douglas.

Band

The one hundred piece Vic. High band climaxed a successful year by performing at the colourful Centennial Pageant, May 29 and 30. Their new cream and black uniforms presented a pleasing sight when they played at the B.C. Band Conference at U.B.C. early this month, the Victoria Music Festival before that and the May 24 Parade.

Mr. Grant is responsible for attaining this year's grand result training the band on Monday nights, Tuesday and Thursday mornings, and during school for those who take band as a subject.

Orchestra

Under the capable leadership of Mrs. Evans, the Vic. High Orchestra has flourished until it is now a highly regarded school's orchestra. Practising three times weekly, the group has entertained at several assemblies and taken part in a High School Orchestra conference in April. The musicians competed in the Victoria Music Festival, and attended the U.B.C. Orchestra Conference in May.

Dance Band

The dance band has had a very successful year this year under the very capable sponsorship of Mr. Bloomfield. The eleven member group practiced three times a week and gave good performances in assemblies, and played a "Jitney" dance at the circus in February. President of the club this year is Fred Palidwor, and he is given capable help by Stew Macaulay, who was the band vice-president. All in all the band enjoyed a successful year and members that remain are looking forward to September.

Grad Dance Team

As in the past, our Grad Dance Team will perform at the graduation ceremonies this year. Under the guidance of Miss Sutton and Mr. Wallis, the team gained an early start this year and plans to do two Ballroom Waltzes at the Graduati Dance. The performers will be chosen from t aspirants shown here.

Modern Dance Group

Under the sponsorship of Mrs. Iwaskow, the Modern Dance Group, which emphasizes rhythm and freedom of motion, has passed a busy and rewarding year. Their achievements have included a "Skating Fantasy", staged at Christmas, "Hernando's Hideway" for the Circus, "Abstraction of a Bull Fight", for an assembly, and a Centennial theme for the dance festival.

The members of the team are Dianne Bouchard, Diane Phillips, Carol Phillips, Sandra MacDonald, Baldew Dhillon, Sandra Jones, Judy Hansen and Sharon Clifford.

Square Dance Club

Gay, lively music could be heard drifting from the new gym Tuesdays and Thursdays at noon. This was the Square Dance Club in its third successful year under the sponsorship of Mr. Wallis, Miss Sutton, Mr. Trotter and Mr. Chatfield. Members were from all grades and numbered 103. President was Howard Bell, vice-president, Donna Robertson, and secretary, Carol Bigmore. The club entered two sets of dancers in the dance festival this year, which represented their true success and spirit.

Calamity Players

The warped sub-grouping of the Thespians have entertained at several auditorium periods this year.

With an executive consisting of President, Edward Pomeroy; Vice-President, Ingrid Escher; and Secretary, Marion Elliott, the club promoted the Staff Sponsored Dance and the Christmas Dance, and also did a satire on the Truly Southern Type of Minstrel Show.

Thespians

The Thespians are a selected group of students who have earned at least ten points in drama work and have been accepted by the committee. They are then initiated during an impressive ceremony sometime in May. This year the Thespians directed the Variety Show at the Circus and were very successful in their undertaking. The members included Marion Elliott, President; Horace Mayea, Vice-President; Wendy Love, Secretary; Donna Robertson, Treasurer; Roger Steed, scribe; Barry Stovel and Ingrid Escher. Mr. Mayne was our capable sponsor.

Camosunet

This year's co-editors, Harold Ridgway and Ed Pomeroy, were assisted by Mr. Murphy in co-ordinating the activities of the Senior and Junior Journalism classes to publish several well received issues of the Camosunet.

Old column favourites and ads solicited by Division 8's Commercial Girls led by Wendy Burbridge filled the pages along with some new and sparkling material from the hard-working students.

The editors, as usual, handled the "Boy" and "Girl of the month" while Charney Manhas, and Dave Skillings looked after the sports. Social Editor, Helen Brunell and Jim Marshall kept Vic High's youth informed on the fashions of today. Judy Hirst as Exchange Editor completes the "Mast Head" staff of this year's successful issues.

Senior French Club

Under the skilful guidance of the three senior French teachers, Mrs. Hodson, Miss Macqueen and Miss van Engel, the Senior French Club had a very good year. The executive, Barbara Kueng, president, Peter Wilkinson, vice-president, Helen Brunell, secretary, and Martin Bergbusch, treasurer, have led the club through noon and evening meetings where they and club members attempted to speak the French language. Social convenor Judy Hirst, guarded the food while transportation director, Sylvia Firkins, kept everyone moving. As we leave the club in the hands of next year's French 92 students, we are able to look back on a fun-filled year.

Student Librarians

Acting in the capacity of Student Librarians are these hard working girls who have given up many mornings, noon hours and afternoons keeping the 400 new books up to date.

It is nice to see grade 10 and students such as Pat Williamson, Linda Marrion, Arlene Hammer, and Lynda Roylance, taking such a heavy responsibility.

Junior French Club

Every second Monday, the Junior French Club has been meeting in Room 302 at 12 noon for three-quarters of an hour of French songs, games, and skits. The club, sponsored by Miss van Engel and Miss McQueen, consists of students taking French 20. The executive is made up of President: Margaret Austin; Vice-President: Margo Wilson; Secretary-Treasurer: Renee Poisson. We have a lot of fun and find it makes French more interesting.

Biology Club

Field trips to the Pacific Northwest Biological Laboratories and the Provincial Museum, the construction of an aquarium, plastic moulding, and the view of special films on biological subjects are just some of the activities carried out by the thirty members of the Biology Club under their sponsor, Mr. Charters.

The Thursday afternoon meetings are conducted by president Don Jacobson, while the other executive members are Allayne Waller, vice-president; Hannah Okland, secretary; and Charlie Brown, treasurer.

Future Nurses' Club

Under the guidance of Miss Crowe, the staff sponsor, and Miss Henley, the school nurse, the Future Nurses' Club completed a highly successful year.

An interesting program was conducted by the president, Jean Barker; vice-president, Sharon Whellams; and secretary, Carol Engelson. Judy Veitch and Wendy Copeland were the committee members.

Besides making field trips to Victoria's hospitals the club heard many interesting speeches on Nurses' training, salaries, and opportunities open to nurses.

Junior Red Cross

The Junior Red Cross had a successful year under the sponsorship of Miss van Engel.

Executive members were: Donna Robertson and Norman Cable, presidents; Norma Smith, vice-president; Anne Kemp, secretary; Marie Barr and Sharon June, treasurers; and Tony Burrows, publicity.

The Chinese Hospital, our "adoptee", was our main concern this year. We spent $92.25 this year providing them with entertainment and the things they needed. We also made an album on B.C., and carried out a small first aid program.

Our annual Fund Drive was our big money making raising project of the year and all the proceeds are going towards the purchasing of equipment for the B.C. Children's Hospital. Our other money raising project was the coat hanger drive held at the beginning of the year.

We hope to send a boy and girl to Red Cross Leadership Training Center held at U.B.C. annually.

United Nations Club

Once a week the UN Club nobly strives to solve the problems of the world. Meetings have been taken with debates, reports, and discussion periods on current world problems, especially those involving the United Nations. Although good weekly programs have been the basis of the club, we have also taken on certain projects during the year. At Christmas we collected a generous donation for the Times' "T-Bricks for Korea" fund, and sold UNICEF Christmas cards for the UN International Children's Emergency Fund. Our big project for the year was participation with other Island schools in the second annual UN Model Assembly, February 28 and March 1. Delegates from the club represented U.S.A., Great Britain, and Czechoslovakia.

Under the conscientious leadership of our president, Wendy Love, the excellent sponsorship of Mr. Clark, and the active participation of all the members, a successful second year has proved the UN Club a firmly established and worthwhile club of Vic High.

Chess Club

Sixty students who have brains to spare, busy themselves each lunch hour in a cool game of chess. Mr. Goulson (who doesn't play) is the man behind the pawn.

Jeff Eng, president, is assisted by vice-president Winston Roberts, and secretary-treasurer Walter Creed.

Two members of the club, Fred Comer and Walter Creed went to Qualicum for the B.C. High School Championship in which Fred placed an honourable second and Walt, fourth.

The club plays on a ladder system through the year with the top six players making the school team. We took the Baines-Lewis trophy in a city-wide competition, and will finish the year with a small tournament for the final ladder standings.

Thirteen Club

The Thirteen Club, under the sponsorship of Mr. Murphy, has completed a very successful year. With President Dick Elwood and Secretary-Treasurer Dave Flowers, the 13 Club held the first sock hop of the school year, sold boosters for the Inter-High Swim Gala and track meets, and had two of the booths on the midway of the Circus.

Slowly and majestically, the sun
Sinks with his golden flame;
Like yellow fire from a blazing gun,
Like a lion's tawny mane.
A fisherman goes sailing home,
A distant dot on the golden foam;
A golden eagle, without thought or care,
Soars and plunges through the air.

Gold

With a golden paw poised for the swish,
A golden bear eats glistening fish;
Past melting ice, glides a golden seal
In restless search of his evening meal.
From the bubbling stream to the golden sand,
From the sparkling sea to the golden land,
From the yellow bird with the golden eye
Is a golden sun — a burning sky.

— STEVEN HODGE.

Amateur Radio Club

Wednesday in Room B18 at 3:30 the Vic. High "Ham" Club meets under the sponsorship of Mr. R. T. Stark, with Terry Davis in the chair, and Gordon Rosseau as Secretary-Treasurer. The club's purpose is to obtain station license for the operation of a radio station at Vic. High and operator licences for the members. Every lunch hour throughout the past year code and theory lessons have been run in addition to those given Wednesday after school, to give the "hams to be" sufficient background to prepare them for the Department of Transport amateur radio exams. The code and theory lessons have been given by Mr. Stark, Terry Davis and Craig McTavish. With the recent purchase of a transmitter for the club, the station will be in operation in June or early September.

Future Teachers' Club

The Future Teachers' Club, again one of Vic. High's largest clubs, was led by President Harold Ridgway, Vice-President Don Kirkby, and Secretaries Marion Elliott and Margaret Smith.

These students along with the sponsors, Miss B. Sutton and Mr. D. Smith, and the rest of the Program Committee, planned the activities of the weekly noon-hour meetings. These programs included a representative of the Dept. of Education, actual teachers (some of whom are from Vic. High), and from the College of Education students.

One field trip was taken to observe teaching methods and conditions. Early last winter they went to the Elementary schools and recently Victoria College. The success of these trips are representative of this year's Future Teachers' Club.

Lightning

Suddenly, and sharply, from out the height,
Shot a streak of lightning that whitened the night;
Her fingers crept out to every tree within sight
That she cloaked with a gown of ghostly white.
The roof-tops and chimneys of houses nearby —
She etched in white against the blackened sky.
An old alley cat, that stood perched on a post,
Had gleaming white eyes like those of a ghost.
A ship rode at anchor out in the bay —
Its cabin and masts outlined as in day.
A lonely dog, from his kennel, whined
At the fingers of white that the sky entwined.
Then, out like a candle went the gleaming streak
Leaving the night now desolate and bleak.

— DONALD G. JAMES.

Tribute to a Constant Companion

All that I am I owe to you,
Because of you now, I have won,
You have made my dream come true,
You have seen the hard work done.
Always I had known of you,
But just this year I learned your touch,
Always seemed to think of you,
Sat with you at night so much.
Ever held you in my hand,
Walking to and home from school,
Always you were my command,
What you said became my rule.
Stayed with you the whole year through:
Then when June came round at last,
My great dream, through you, came true:
Thanks to you, HOMEWORK, I have passed.

Joan Venus—Joan is our quiet newcomer to the majorettes and has shown her ability on those Friday nights.

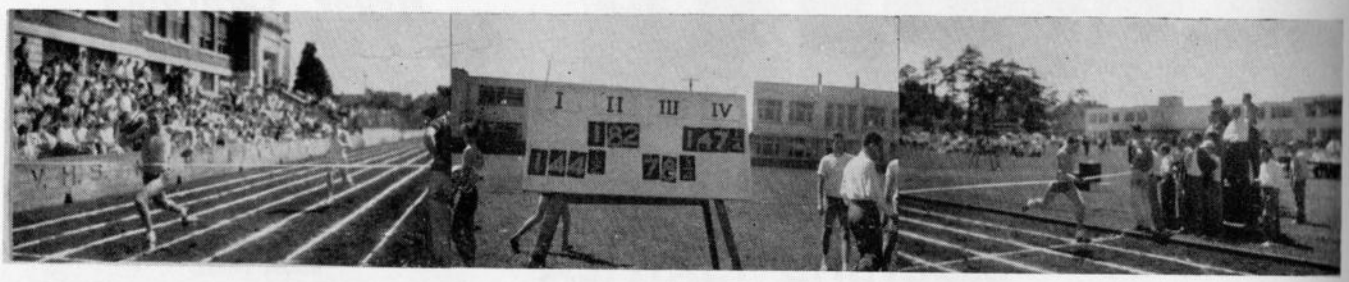
Jane Lang—One of our petite little drummers whom we would be completely lost without.

Florence Chan—The other half of our petite well dressed drummers.

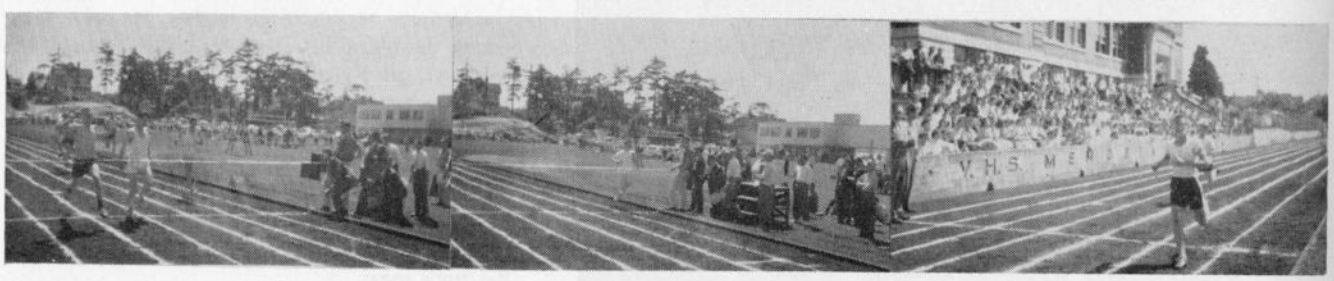
Cheerleaders

Victoria High's Cheerleaders, a very active group this year, have provided their services for many school functions, and truly "earned" their new sweaters.

Composed of Lynda Chan, Sandy Dodd, Phyllis Pluym, Joan Snider, Margo Colak, Carol Fletcher, Ken Thomas, and Larry Ballard, they have performed at two pep-meets, all the basketball games, including the island tourney at Cumberland, and the track meet.



Aggregate Champions of the Inter-house track meet, Andy Meija senior boys, Judy Griffiths junior girls, Sandra Futcher senior girls and Dave Haegert junior boys, led the field in the May 16th meet.



Inter House Track and Field

House Two Triumphs

Despite the warm weather and yelling crowd (or perhaps because of these facts) Vic High's Inter-House Track Meet on Friday, May 16, was a tremendous success.

Calculations at the close of the meet showed that House 2 had made off with the points race, John Cliff had made off with some junior distance records, and a number of young profiteers had made off with boxes of pop bottles.

Throughout the day great cheers broke across the sunny field to urge on these house competitors as House 2 piled up 35 points more than second-running House 4.

Individual stars proved to be from this same house. Andy Meija of House 3 spoiled Two's perfect sweep of aggregate winners as Sandra Futcher won the Senior Girls', while Judy Griffiths and Dave Haegert took home the junior awards.

Relay records fell to the House 2 runners as the times for the junior girls' 220 yards, senior girls' 440 yards, and junior boys' 440 yards were all lowered.

Field events in the three afternoons before Friday's finals gave House 4 a lead of a ¼ point, but as the day of the track drew on, House 2 crept out in front and House 1 drew up on the previous leaders.

When the final standings were tallied, the Houses placed as follows:

House 2—182 points.
House 4—147¼ points.
House 1—144½ points.
House 3— 78¾ points.

Totems

With an undefeated league schedule under their belts, our Vic. High Totems showed their muscles in both exhibition games against the Victoria College Vikings and also the Lord Byng Grey Ghosts. Coming within six points of the collegians was a feat in itself, and to defeat the promising Vancouver team was indeed promising.

Unfortunately, after breezing through the Lower Island Tourney and struggling through the Island contests, the Totems went down to their first high school defeat at the hands of the Grey Ghosts in the second round of the B.C. Tournament at U.B.C.

Finishing fourth in the province, the hard fighting Totems squad won a singular honour by being chosen the most sportsmanlike team in the B.C. Tournament. This outstanding award reflects the influence of Mr. George Andrews' coaching upon a determined group of good athletes.

The Totems readily admit that without the coaching of Mr. Andrews, their successful year would have been reduced to a mediocre record of league wins and losses. Thank you, Mr. Andrews.

Cross Country

This year's Cross Country team had a slightly "off" season. Before almost every race they lost at least one of their more important runners. Even in their "off" year the team lost only three races —they placed second in the P.N.W. at Vancouver, second in the 4.2 mile Vancouver Island Championship, and were edged by 10 points in the B.C. High School Championship.

Outstanding runners with the team this year were three junior runners that will be back with the team again next year. The team's three mainstays were Simon Princenburg, John Cliff, and Jamie Robertson.

Junior Rugby

This year under the capable coaching of Mr. McLagan, the Junior Rugby team won the Junior Rugby league by capturing all the games but one, while scoring 38 points to the 15 points against them. The team also played against Shawnigan Lake and University School.

Forwards—Jack McLaren, Graham Reid, Ernie Yakinovitch, Ted Stott, John Dobrocky, Denis Yardley, Ken McCartney, Don James, Dave Reid and Dave Dalkes.

Backs—Mewyn Goodey (Capt.), Dave Reece (V. Capt.), Barry Bower, Toni Dattie, Keith Gray, Alan Foster, Ray Harris and Ron Houghland.

Spares—Dave Sheldrick, Dan Walkes and Ken Beswick.

Senior Rugby

FORWARDS:

Ed Pottinger—Prop—Eddy is a real hard tackler who never says die.

Dennis Abelson—Hook—Denny was one of the main reasons for this year's strong scrum.

Ken Roskelley—Prop—"Radar" was this year's team captain and top scorer.

Frank Came—Second Rank—"Fungy" was a real team player who never gave up. This boy did a lot to hold the team together.

Dick Conway—Second Rank—Dick made a strong showing in his first season.

Ab Kudra—Break—"Kudge" is a bad man to antagonize on a rugby field.

Bruce Chambers—Bruce showed real class, should be invaluable next season.

Frank Colburn—Tail up—"Hank" came out and gave the team a big boost when the chips were down.

Phil Meyer—Scrum half—Phil turned in some fine performances.

THREE-QUARTERS:

Eric Robinson—Standoff—"Mr. Muscles" turned out to be a real smoothy.

Andy Meija—Center—Speed and power, Andy was the hardest man to stop on any field.

Pete Brice—Center—Peter proved to be too fast for the scrum so he went to the three line and there he'll stay.

Gary Howard—Wing—There is not much here, but brother, can it go!

Fred Latham—Wing—Hampered by injuries most of the season, Freddy came on to be outstanding in the Russel Cup.

Bill Gower—Fullback—A steady, heads up player, Bill proved to be a good man for that last line of defence.

COACH:

Mr. J. Hill—This year's team wishes to thank Mr. Hill for his consistent support despite the poor showing by many of the prospective players.

Senior Girls' Basketball

Nan Bennett—Nan was our tall centre and co-captain. This was her second year in basketball circles.

Avis Murrant—Avis is the team's most dependable player. This has been Avis' third year as a guard.

Charney Manhas—Charney, in her second year of rep ball, has been our high scorer. She was a valuable forward.

Maureen George—Maureen has been a real asset to the team in her first year. She should prove to be a close checking and high scoring guard again next year.

Sargit Dillon—Sargit was a fast guard and a good all-round player in her first year on the team.

Gail Archibald—Although Gail was our only Junior player she proved to be a high scorer. She should be a valuable player next year.

Brenda Baker—Brenda, a newcomer to the team this year, was always there for the rebounds. She played her forward position well.

Senior Soccer

Winners of the Colonist Cup Greater Victoria Championship, the Vic. High soccer team displayed the spark shown by past winning teams.

They defeated Oak Bay in the finals by taking the first game, tying the second and winning the third game by a margin of 4-2.

Badminton Club

One hundred and twenty-five members and hot competition made this an excellent year for the badminton club.

Keeping the club active with tournaments was the executive, president, Don Kirkby; secretary, Vivi Hansen; vice-president, Bruce Atkinson; treasurer, Que Wong; tournament manager, Gerald Quan; and equipment manager, Barry Saunders; and the sponsors, Mr. Pluyme, Mr. Reid and Mr. Glover.

Two doubles, one singles and one mixed doubles tournament have been successfully completed, as well as lots of practise play during the four sessions a week.

Junior Soccer

For the second straight year our junior soccer squad raced through an undefeated, untied schedule and claimed the Big Horn Trophy, symbolizing junior soccer supremacy — a proud record, indeed.

Here are the bustling booters who as a team brought soccer fame to Vic. High.

Steve Holburn—centre forward and continual scorer.
Laurence Fletcher—heads-up left winger.
Don Elphick—right wing, fine team player.
Dave Reec—wing, inside left, right forward—speedy, power booter.

Bowling Club

V.H.S. Bowling Club has had a successful year under its executive: Bruce Atkinson, President; Bill Buxton, Vice-President; and Barbara Clayton, Secretary-Treasurer.

The club has approximately sixty members, and has been bowling on Monday for the past year at Capital City Bowladrome.

Some of the highlights of this year have been matches against Oak Bay, Esquimalt, Mount View. It was the first time that a tournament had been tried, and it was a big success.

We wish to thank Mr. Routley, who was our sponsor, for giving up his valuable time.

Curling Club

This school year saw the introduction of curling in schools in the Greater Victoria area. Vic. High's team was the largest in Victoria, with about fifty students taking part. The executive of the club this year was Dave Work, president; Jean Frazer as vice-president; and Gary Howard as secretary-treasurer, and the club was sponsored by Mr. Hardie, who is a fine curler in his own right. The curling should grow in future years as points are now given for curling and crests will be available in future years.

Rod and Gun Club

The Rod and Gun Club, started in October of '57, was formed for the purpose of furthering outdoor safety and conservation with special emphasis on the care and handling of firearms.

The president, Peter Roche vice-president, Dale Hayton, and secretary, Liz Aitken, together with a three man committee of Robin Barnes, Dennis Ableson and Doug Sinclair, make up the club's executive.

The fall and winter sessions heard speeches from an R.C.M.P. officer, a falconist, a taxidermist, and a witness to a hunting accident on the Island.

The club has plans for a teacher student fishing derby and other outdoor activities.

Tumbling Club

This year's Tumbling Club of ten full-season members has been sponsored and instructed by Mr. Tucker. With the assistance of Verne Simpson, last year's Club president, our new members Charles Gringer, Neville Bouch and Bruce Hardie have learned fundamental tumbling. Seniors Wayne Begg, George Devlin, Joe Horn, and Gordon Roseau have been striving for better form and doing advanced stunts. The girls in the Club, newcomers, Barbara Swannell and Susan Pogson, and senior Genevieve Whale have followed a similar program. Darlene Moore, Cecile LaRoche, Pat Kirby, Sandra Shaw, and Jackie Gibson were also members for the first term.

Though we did not enter in the Tumbling Meet held at Vancouver this year, we put on two displays at Totem Basketball home games. The first consisted of mat stunts done by both boys and girls, while the second was an exhibition of box-work by the boys.

Blacks

Grass Hockey

Two grass hockey teams, the Blacks and the Golds, were formed and entered in the Inter High League, in which we placed third. The best players from these two teams were entered for competition for the coveted Bridgman Cup. The lineup for that team was:

Jaquee Wright—Center forward—captain; speedy and determined.
Barbara Watson—Right inner—unselfish work, good sport.
Linda Martin—Left inner—laugher of the team, a fast forward.
Randy Johl—Right wing—good natured and reliable player.
Sue Anderson—Left wing—fine addition to any forward line.
Jean Sinclair—Center half—excellent with stick handling.
Sharon Sinclair—Right half—a fearless fast player.
Maureen George—quiet reliability makes Maureen a good performer.
Renee Poisson—Right full back—backbone of team, played superbly.
Sargit Dillon—Left full back—played a spectacular defensive game.
Gail Archibald and Roberta West—Goalies—equally brave behind the goal posts.
Charney Manhas—Spare—splendid girl doing a splendid job.
Jean Barlow—Spare—a versatile promising player.
Judy Bone—the capable and popular manager of the team.

Golds

Table Tennis Club

Headed by a hard working executive consisting of Jeff Eng, President; Ken Leung, Vice-President; and Sandra Savage, Secretary-Treasurer, the table tennis club has had a prosperous year. Mr. Francis is the energetic sponsor of this year's club which consists of fifty enthusiastic ping pong players.

Unfortunately, Oak Bay has consistently won inter-high competition throughout the year. Vic. High came a good second best by beating Mount Doug High in a round robin tourney early this Spring.

Referees' Club

This newly formed club is sponsored by Mr. Esselmont and headed by President, Barbara Watson, and Frances Derbyshire, Treasurer.

The purpose of the Referees' Club is to enable the girls to take care of their own refereeing and umpiring of the House and Representative sports.

At the weekly noon hour meetings the girls concentrate on learning the rules of the various games. Occasionally each of the sixteen club members has to select a specific sport and give a small talk on this subject.

Water Ballet

Every Thursday after school a group of girls under the direction of Mrs. Iwaskow treks down to the Crystal Pool to practice the intricacies of water ballet.

Each practice begins with a drill on the waltz, consisting of slow, graceful arm strokes which form a pattern of three free, three back and three breast strokes. The feet kick unobstrusively under water.

The girls have mastered their first simple float in which they form a circle and by spreading their legs to touch each other, make a star in the center of the circle.

Nearly perfect attendance is required and club members who are unable to participate in a practice must attend the practice from the bleachers.

The Golden Shadow

The golden shadow moves and sees
The antelope beyond the trees;
With long, graceful, glowing strides,
He stalks to where his quarry hides;
He turns his golden head to the east
To catch the scent of the grazing beast;
He crouches low in the golden grass,
And waits for the antelope to pass;
Suddenly the golden shadow springs,
And with terrifying speed he brings
Instant death to the helpless beast;
And the lion begins his feast.

—GRAHAM REID.

Red

Red in the air, flying round and round,
Moving with a whipping sound,
This way and that it flutters and moves,
The bright red cape to lure the bull's hooves.
A red flash here, a red flash there
Red in the bull's eyes when they stare,
At that red thing tormenting in the air.
Red on the lances that Picadors throw,
Red on the dusty winds that blow,
Across the plain to the crimson sky.
When at last all is still,
And the crowd's roar dwindles for the kill,
Then the red shows once again,
Where the bull lies on the plain.
